PUPPY ADDENDUM TO ADOPTION AGREEMENT

_____ I understand that the deposit of \$100 for this puppy adoption is in addition to the adoption fee and is refundable when a certificate of spay or neuter of the adopted puppy is received by an IMPS representative at this address (Attn: _____).

_____ The spay or neuter of this puppy is a requirement of this adoption agreement and is not optional. The spay or neuter must be performed within six (6) months of the date of this adoption agreement, and the certificate must be received within eight (8) months of the date of this adoption agreement. If the adopted puppy is not altered within six (6) months from this adoption agreement, and a certificate of spay/neuter from a veterinarian is not received by IMPS, IMPS has the right to take the puppy back into IMPS ownership.

The list of vaccinations below is also required as part of the adoption contract unless indicated that they have been administered by the rescue:

_____ Dhpp given at week 7

_____ Dhpp given at week 10

_____ Dhpp given at week 12-13 (per vets preference)

_____ Rabies given at week 16 (some vets may recommend an additional Dhpp booster as well)

Thank you for understanding that the overpopulation of dogs and cats is the primary reason that millions are homeless, suffering and euthanized each year!
